

Being a Missional Church and People

8 Mar 2019

Go on a Short-term Mission Trip that leads to Long-term Impact!

EVANGELISM

Share the Gospel through house visitations, evangelistic rallies and street evangelism! Teams will assist in the planning and preparation of the evangelism efforts as well as ushering, children's ministry, praying for the sick and ministering at the altar.

Note: Evangelistic efforts are carried out in villages (*called Barangays*) to either support a recently started church planting project, or to evangelise an entire village or island that has no church within their vicinity.
