<p>Weekly Cell Guide by our Cell Writer & Resource Ministry Team</p> <p>There are 27 sermons for this Gospel of Mark series. Cell Guide will be provided for almost all these sermons.</p>	<p>All weekly Cell Guides will include:</p> <ul style="list-style-type: none"> • Suggested worship songs • Summary of the week’s sermon • 3 to 4 questions: <ul style="list-style-type: none"> - A Recap Qn to refresh your memory of the message - A Relate Qn to bring members to the key ideas of the sermon - A Reflection Qn to help members consider the implications of the sermon on their lives. - A Response Qn to seek personal application and share practical action steps they want to trust God for. 	<p>Cell Discussion shall focus on the key learning points shared by the various pastors during the Sunday sermon. This is to help members revisit what was shared in the sermon and encourage members to share their personal application during cell meetings.</p> <p>Recommendation: Cell could continue to adopt this resource for discussion. Perhaps more Core members could take turns to facilitate the cell discussion. This would encourage more members to go deeper into the passage as they prepare for the discussion. The main weight of each Cell discussion would be the Reflection and Response Questions, which are the last 2 questions.</p> <p>Those individuals who are interested in exploring more of the Word may subscribe to the Tuesday Night Precept Classes in church or explore the Life Lessons series by Max Lucado.</p>
